

**ONE  
BODY:  
UNIFYING  
THE GLOBAL  
CHURCH IN  
MISSION**

**SMBC**  
SYDNEY MISSIONARY & BIBLE COLLEGE

**GLOBAL MISSIONS CONFERENCE**  
**31 JULY - 2 AUGUST 2024**

**The global church has changed. While churches battle decline in Western countries, churches in South America, Africa, and many parts of Asia continue to grow. This must change the way we participate in global mission. But how? Many are saying it needs to happen, but few can help us discern the path ahead.**

The SMBC 2024 Global Missions Conference will focus on how the global church can unite and serve together to take the gospel to remaining unreached peoples around the world. To help us explore these issues, we will be joined by internationally known speakers Flavio DeSilva and Gina Zurlo.

**Flavio** is Brazilian, has served as a missionary in South Asia for 14 years and is now working with Pioneers International. He is passionate about facilitating international partnership in global missions.

**Gina** is a researcher and author whose work intersects history, sociology and World Christianity. She has authored several books and made the list of the BBC's 100 most influential and inspiring women of 2019 for her work in religious statistics and particularly the role of women in religion worldwide.

**Held at the SMBC main campus  
43 Badminton Road, Croydon NSW 2132**
